

# CHRISTMAS SKILLS CROSSWORD

This Christmas, make sure you have all your skills in check before the fun times start. Use the clues below to see which ones you're already practicing.

## Down

1. Nodding thoughtfully while finding your chance to escape
2. Trying to be in five different places at the same time
3. What you need while waiting for everyone to be ready in five minutes
4. A survival skill for family dinners
5. Keeping it together until January
7. What you resort to when the plan backfires
8. Deciding who does what, how, and by when

## Across

6. Brushing awkward questions off with humorous remarks
9. Explaining things without making them worse
10. Choosing between rest, people, and just one more dessert

*Disclaimer: This crossword contains various types of humor. Solvers' discretion is advised. Difficulty level: insane.*
